INSPIRES THE JAZZ BAND

If you want to make
Music your lifes career
IT IS possible

Make sure you're working
all the time and constantly trying
to better yourself
if you want to be successful
in any field.

**Make sure you are a
pleasant person to work with.
No one wants to work with the
jerk who's convinced
they are always right and will
only do something their way.**

Be open to different experiences
musically and treat everyone you
work with as having something
special to bring to the table.

Follow your dreams

Be Flexible
